Sky High Standard

Never Shout Never

I don't know how to put this right
Except we're screaming at the stoplight now
And I cant breathe
Whoa
I got the notion through all this commotion
That I was in the wrong
Through trial and error
I found myself putting on things I hate
If I had a dime for every apology,
That was never said I'd be a rich man
Where do we go when no ones home?
Where do we run when I'm alone, alone?
Were do I hide when I'm afraid
Afraid the world is gonna change
Without me?
I stratagize playing tic-tac-toe
And dominoes

Anything to get me through the day
I stratagize playing tic-tac-toe
And dominoes
Anything to get me through the day
This is me trying to live my life
With your standards, your god-awful standards
They wear me down
Whoa
Where do we go when no ones home?
Where do we run with I'm alone, alone?
Were do I hide when I'm afraid
Afraid the world is gonna change
Without me?
Where do we go when no ones home?
Where do we run with I'm alone, alone?
Were do I hide when I'm afraid
Afraid the world is gonna change
Without me?
