

# The Truth

## Sentenced

At the primitive times  
when the earth was born  
Generations came and went  
lived in ignoranceSomewhere in the Darkness of Time  
lies open the ultimate fate of life0132 ("Mullan rakoseen vaivun")No one can show us the right way  
is this enigmatic destiny  
This way is going where we are coming from  
The Time has come...
