

The Swarm

[Simian](#)

The swarm is restless, tonight, tonight
Tonight, tonight, tonight, tonight
The swarm is restless, tonight, tonight
Tonight, tonight, tonight, tonightWe can hear buzzing, we can hear wings
We can hear running while we sing
We can see people on their knees
We can hear praying for new born kingsThe swarm is restless, tonight, tonight
Tonight, tonight, tonight, tonightWe can hear buzzing, we can hear wings
We can hear running while we sing
We can see people on their knees
We can hear praying for new born kingsWe can see people on their knees
We can hear praying for new born kingsThe swarm is restless
The swarm is restless
