

Revolution

David Grace & Injustice

Revolution
Revolution
Thereâ€™s gonna be a Revolution X2

Hey everybody gather round
Come and listen to the truths that Iâ€™ve found
Weâ€™re going to sing about our Warriors
Cause History books be calling them Murderers
Thatâ€™s what weâ€™re doing
We fight fire with Fire
An eye for an eye
We fight Fire with Fire
See all that weâ€™re doing
We fight fire with fire
Yeah come on my people
We fight Fire with fire

Hey everybody gather round
Come and listen to Injustice Sounds
Weâ€™re gonna sing about our warrior
Yeah history books be calling them murderers
Thatâ€™s what weâ€™re doing
We fight fire with Fire
An eye for an eye
We fight Fire with Fire
See all we are doing
We fighting fire with fire
Yeah come on my people
We fight Fire with fire

With Fireâ€!
Weâ€™re talking about a Revolution
With Fireâ€!â€!
Weâ€™re talking about an Execution
With Fireâ€!..
Weâ€™re talking about a Revolution
With Fireâ€!..
Weâ€™re talking a Retribution
With Fireâ€!â€!
