

# Memories On The Ground

[Tim Halperin](#)

I looked around at all the memories on the ground  
Some of them still falling down  
And I cannot make a sound  
Thanks a lot, I was your man and now I'm not  
You said if you could you would  
Just pick me up and take me home for goodSo I look at her and I say  
Oh there's got to be a better way  
Cuz I don't want you to be  
Just another memory on the ground  
Parking lots, Sunday drives and getting lost  
We'd lay out beneath the stars  
To make us feel how small we areSo I look at her and I say  
Oh there's got to be a better way  
Cuz I don't want you to be  
Just another memory on the groundLooking back, I never thought I would do that  
I gave your love away  
I live with that everyday  
So I look at her and I say  
If I could, I'd take you back today  
I'm sorry that I let you slip away  
You're just another memory on the ground  
Oh, on the ground
