

# Skip The Charades (Live At Third Man Records)

## Cold War Kids

You wait on letters  
Fishing for any sign of life  
Drinks after dinner  
Your friends will get you to unwindLet's skip the charades  
Can we just speak plain?  
I'm two left feet  
When I'm home, we tap-danced on broken glassSomehow you manage  
To keep your sense of humor in tact  
Let's skip the charades  
You're seeing right through me anywayCan we just speak plain?  
We're playing for the same team  
But I'm the one that's acting like  
Acting likeActing like  
I'm so strong  
You're the one that's acting like  
Acting like  
Acting likeNothing's wrong  
You dodged the bullet  
You do your best when you're busiest  
You're disconnectedYou can't find your name in the script  
It was you who were wildest  
It was you who floated above us all  
I held on with wiresWill you come back down if I let you go?  
Let's skip the charades  
You're seeing right through me anyway  
Can we just speak plain?We're playing for the same team  
But I'm the one that's acting like I'm so strong  
You're the one that's acting like nothing's wrong  
I'm the one that's acting like I'm so strongYou're the one that's acting like nothing's wrong  
Can we skip the charades?  
Just speak plain  
Can we skip the charades?Just speak plain  
Can we skip the charades?  
Just speak plain  
Can we skip the charades?  
Just speak plain
