Lovesong

The Cure

Whenever I'm alone with you,
You make me feel like I am home again.
Whenever I'm alone with you,
You make me feel like I am whole again.

Whenever I'm alone with you,
You make me feel like I am young again.
Whenever I'm alone with you,
You make me feel like I am fun again.

However far away, I will always love you. However long I stay, I will always love you. Whatever words I say, I will always love you; I will always love you.

Whenever I'm alone with you,
You make me feel like I am free again.
Whenever I'm alone with you,
You make me feel like I am clean again.

However far away,
I will always love you.
However long I stay,
I will always love you.
Whatever words I say,
I will always love you;
I will always love you.
