Gold Dust

John Newman

You and I, it's my time to talk
I'm throwing out these 2 years of thoughts
Please and take a deep breath
I'll lay my heart out, yea I put it on the floorTears crash down
Don't face, not now
Screaming out how I changed through time
I know it's hard to leave it
To say we've been defeatedBut everything around me has changed
My my
I'll be hereGold dust
Gold dust
Gold dust
(No more)
Tear drops
Tear drops
Tear dropsMemories, without fortune or fame
Endlessly, through the night and through the day
We make hard times seem easy
Dark days seem so pleasingBut everything around me has changed
My my
I'll be hereGold dust
Gold dust
Gold dust
(No more)
Tear drops
Tear drops
Tear dropsAnd I'm so sorry darling
When I wake you're just gonna leave
And I don't want you to be lonely
'Cause I know you'll find your love again
And I promise I'll stop calling
If it makes it easy for you
It hurt to see you leaving
But it's for the best believe me, my friendGold dust
Gold dust
Gold dust
(No more)
Tear drops
Tear drops

Tear dropsGold dust
Gold dust
Gold dust
(No more)
Tear drops
Tear drops
Tear dropsGold dust
Gold dust
Gold dust
(No more)
Tear drops
Tear drops
Tear drops
