Always Alright

Alabama Shakes

Well you come up stairs in the night to talk
Stay a little while then you do a little walk on home
I hear you downstairs smoking cigarettes, I hear your talking shit
Cuz you ain't got nothing to talk about at all
Well you take me to the party you got me alone
Said you wanna feel good cuz you feel like your gonna explode
I don't care I can't pay attention, I don't give a damn about your intentions at all

Pass me the whiskey, Pass me the gin
Pass me whatever that's going to let me in?
Well I don't care if it's 7 in the mornin'
For all I care it could be the second comin'
You said you couldn't take it anymore
You can't live like this, it's a really big deal
I don't care I can't pay attention, I don't give a fuck about your intentions at all
Alright
We always alright
