Sweet Disposition
Never to soon
Oh wreck less abandon
Like no one
Watching you
A moment, a love, a dream, a laugh
A kiss, a cry, our rights, our wrongs
A moment, a love, a dream, a laugh
A moment, a love, a dream, a laugh
So stay there
Cause I'll be coming over
And while our bloods still young
It's so young it runs
We won't stop till it's over
Won't stop to surrender
Songs of desperation

I played them for you
A moment, a love, a dream, aloud
A kiss, a cry, our rights, our wrongs
A moment, a love, a dream, aloud
A moment, oh...
So stay there
Cause I'll be coming over
And while our bloods still young
It's so young it runs
We won't stop till it's over
Won't stop to surrender
Won't stop till it's over
Won't stop till it's over
Won't stop till it's over
Won't stop to surrender
