

# Grow Up

## Oscar

Keep running away,  
As fast as your legs can,  
Keep living today.  
And you'll know you want.  
Don't lie to yourself.  
Its already over.  
Theres nowhere to run,  
theres no~where to run. So chase your troubles away,  
and leave the rest for the day  
"I know you wont be leavin but I know when"  
just making fun of the way  
of how your dreams are here to state  
I~

I just wanna be I just wanna be I just wanna be young forever I just wanna be I just wanna be I just wanna  
bekeep running away  
as fast as your legs can  
keep living your day,  
then you know what you want.  
Don't lie to yourself  
its already over  
theres nowhere to run, theres nowhere to run  
(2x)so find a good hiding place  
you wont be last in the race  
you can be whatever you want,  
its your right  
just make it fun either way  
cause then your dreams are here to say  
I~

la lala la lala la lala la lalala~  
la lala la lala la lalawhoooo~I just wanna be I just wanna be I just wanna be young forever.  
I just wanna be I just wanna be I just wanna be  
(2x)(Pause)Keep running away,  
As fast as your legs can,  
Keep living today.  
And you'll know you want.  
Don't lie to yourself.  
Its already over.  
Theres nowhere to run,  
theres no~where to run.
