

# Walkin'

Jamie Cullum

I'm walkin' out the door with you on my mind

I'm walkin' out the door with you on my mind

But every step away from you, I feel like cryin'I walked into the street, talkin' to myself

I walked into the street, talkin' to myself

No matter what my conscience says, I'm thinkin' 'bout nobody elseI met a brand new girl, phone to make a date

I met a brand new girl, phone to make a date

But when I rang her number up, but I got your number by mistakeYou say you love me, baby, don't know what  
to do

You say you love me, baby, don't know what to do

I'm sure of one thing, I'm in love with you
