## Very Yes

## **Bootsy Collins**

Do you believe in magic
at the first sight
please say yes cause I
want to love you all night
Time should not dictate
oh how much love we share
and if you're wondering if tomorrow
ooooh I'll still care

well ahhh
I can't stop loving you
cause I don't wanna
oooh laa laa laa laa laa

I said I can't stop loving you
cause I don't wanna
(awww girl)
Let me kiss ya
I can't stop loving you
cause I don't wanna

I can't stop loving you (ooooh oooh) cause I don't wanna

Yeah yeah (yeah) Yeah yeah (yeah yeah) (Y'all) Let me say Yeah y'all

Yeah yeah (yeah) Yeah yeah (yeah yeah) (Y'all) ahh haa haa haa

Turn down the lights
And I'll hold you to me
Let's spend the night
in a world of fantasy
You and I will not be hurried
by the dawn
If you're wondering wheather tomorrow

## ooooh I'll be gone

Oooooh
I won't stop
Won't stop the progress
loving you
When the feeling thats gone
I won't stop loving you
