Tony Yayo

Aww nigga, do you know what this is?
One shot one kill what's the deal G unit
Here we go now
Aww nigga, do you know who you with?
It's Tony Yayo up in this bitch
Got them German lugers with them hollow tips
See shot lugers with an extra clip 50 cent back on that gangsta shit
On my way OD to flip them bricks
In that big body Benz you know it's oh 6
Got your bitch on my dick I stack them chips
And a flash as a fuck my jewels so sick
From a block away you can see them kid Don't front mothafucka you know my style
I don't go nowhere without my 40 cal
On the low shorty, gotta thing for the kid
And you know I'm finna take ha back to the crib
Here we go I'mma show her how a playa live
At the door I tell her to take her clothes off shit Shorty so seductive dancin' on me
It's the way that she move that is makin' me horny
If I wake up next to her in the morning
I'm a turn over and tell her let's do it again Shorty so seductive dancin' on me
The way that she move is makin' me horny
If I wake up next to her in the morning
I'm a turn over and tell her let's do it again I put the G in G unit baby, I got game
Head to go good to go and I don't know your name
Is it the wheels on the hot car, meals on the shock bar?
Or you just wanna quickie with a rap star
Ladies tell the truth, you know I'm cute
But what really turns you on is the rims on my coupe
Before you jump in my whip and you get dropped off
You goin' to the telly and you gettin' popped off I can't stop thinkin' of the things you do
When your freakin' me and I'm freakin' you
I said, "The ice on my neck make the shortys stare
Baby, let me fly you in my leer
Stop, slow down baby if you hear this
In the club shake and go down baby
It's past my curfew but parole don't know
Tear up the club, don't call my P.O." Shorty so seductive dancin' on me
It's the way that she move that is makin' me horny
If I wake up next to her in the morning

I'm a turn over and tell her let's do it again
Shorty so seductive dancin' on me
The way that she move is makin' me horny
If I wake up next to her in the morning
I'm a turn over and tell her let's do it again
Ma waves be spinnin', ma charm be amazin' women
You know them black and them white and the Asian women
Let's cut the small talk, you know why I approached you
I can't stand when a dime act anti-social
Gucci LipGloss, Louis Vuitton
And the boots from Batego Vanetto cost a arm
Yayo's a don, my car European
You got mirrors in your pants 'cause I can see me in um
Listen, I piss out cris, inhale haze
I'm in da Marriot gettin' laid all day
Tattoos and piercings and rings in your tongue
Shorty things like that'll make my black ass cum
I need groupie love, the coupe on dubs
I'm in this club with a tre pound star
Don't blame it on David, I'm all iced out
'Cause 50 got me rich, so the bar all priced out
Shorty so seductive dancin' on me
It's the way that she move that is makin' me horny
If I wake up next to her in the morning
I'm a turn over and tell her let's do it again
Shorty so seductive dancin' on me
The way that she move is makin' me horny
If I wake up next to her in the morning
I'm a turn over and tell her let's do it again
