

# Can You Love a Poor Boy

## Smokey Robinson & The Miracles

Can you love a Poor Boy?  
Who can't give you anything  
Can you love a Poor Boy  
If love is all he has to bring  
A boy whose heart would sing out faithfully  
With just your heart for company Can you love a Poor Boy  
Who only knows the taste of tears  
Can you love a Poor Boy  
Whose dreams would only turn to fears  
A boy with so much love that gratefully  
He'll stand beside you faithfully  
Could you settle for a walk in spring  
With true love for as long as you live  
A love that grows and shows it self the little things a poor boy can give. Ooo A boy with so much love that  
gratefully  
He'll stand beside you faithfully  
Could you settle for a walk in spring  
A quiet day at home when it's raining  
A love that grows and shows it self and little things a poor boy can bring. Can you love a poor boy like me  
Love me, Love me, Love me
