

# Let Me Be Your Star

## Smash Cast

Fade in on a girl  
With a hunger for fame  
And a face and a name you'll remember.  
The past fades away  
Because as of this day  
Norma Jean's gone,  
She's moving on.  
Her smile and your fantasies  
Play a duet  
That will make you forget  
Where you are.  
The music starts playing  
It's the beat of her heart saying,  
"Let me be your star." Flash back to a girl  
With a song in her heart  
As she's waiting to start the adventure.  
The fire and drive  
That make dreams come alive,  
They fill her soul.  
She's in control.  
The drama, the laughter,  
The tears just like pearls.  
Well, they're all in this girl's repertoire.  
It's all for the taking,  
And it's magic we'll be making.  
Let me be your star.  
I'll just have to forget the hurt that came before,  
Forget what used to be.  
The past is on the cutting room floor,  
The future is here with me.  
Choose me! Fade up on a star  
With it all in her sights:  
All the love and the lights  
That surround her.  
Someday she'll think twice  
Of the dues and the price  
She'll have to pay (She'll have to pay)  
But not today (But not today)  
Then she'll do all she can

For the love of one man  
And for millions who look from afar.  
And what youve been needing  
Is all here and my hearts bleeding.  
Let me be your star!
