

Spirit

Ghost B.C.

Throw yourself
Into the vessel
Of possibilities Your clean noose
The apparatus
Force over ability
A gateway to secrecy Spirit, Absent
Spirit, Absent Seven seals
Devilish Creatures
Confess the end of time Cloven Hooves
Enticing wormwood
Catapult to your mind
Into the chosen death Spirit, Absent
Spirit, Absent There's no return
From this excursion
Of possibilities
You're at the set of gates Spirit, Absent
Spirit, Absent And none of this earth inherits
This vision of my spirit
