

I Just Don't Know What To Do With Myself

Dionne Warwick

I just don't know what to do with myself
Don't know just what to do with myself
I'm so used to doing everything with you
Planning everything for two
And now that we're through I just don't know what to do with my time
I'm so lonesome for you, it's a crime
Going to a movie only makes me sad
Parties make me feel as bad
When I'm not with you, I just don't know what to do Like a summer rose
Needs the sun and rain
I need your sweet love to beat all the pain I just don't know what to do with myself
I don't know just what to do with myself
Oh baby, if your new love ever turns you down
Come on back, I will be around
Just waiting for you, I don't know what else to do
