All Fall Down

Onerepublic

Step out the door and it feels like rain
That's the sound, that's the sound on your windowpane
Take to the streets but you can't ignore
That's the sound, that's the sound, you're waiting for
If ever your wold starts crashing down
Whenever your world starts crashing down
Whenever your world starts crashing down
That's where you'll find me
(Yeah)
God love your soul and your aching bones
Take a breath, take a step, meet me down below
Everyone's the same, our fingers to our toes
We just can't get it right, but we're on the road
If ever your world starts crashing down
Whenever your world starts crashing down
Whenever your world starts crashing down
That's where you'll find me
(Yeah)
Lost till you're found, swim till you drown

Know that we all fall down
Love till you hate, strong till you break
Know that we all fall down
If ever your world starts crashing down
Whenever your world starts crashing down
Whenever your world starts crashing down
That's where you'll find me
Lost till you're found, swim till you drown
Know that we all fall down
Love till you hate, strong till you break
Know that we all fall down
All fall down, all fall down
All fall down, all fall down
All fall down, all fall down
Lost till you're found, swim till you drown
Know that we all fall down
Love till you hate, strong till you break
Know that we all fall down
