nameI dunno but Ima bout to find out wassup
Be easy dont take it to rough
Talk to 'em
Im not being cocky
I just noticed that she was looking at me
Chill homeboy be cool
Cause there aint no reason for all that fussin at me
Its just gettin started
And theres a lot of fish around
here just shakin they jelly
I ain't tryin to be rude dude but we tryin to tear up the place come on
There aint nothing to it
If you wanna get down then we can do it-do it
There aint nothing to it
Get out your seat
Why
You aint glued to it
Be easy and watch that--tone
Keep stepping with your new suede shoes--on
Boys and girls lets all sing along
Now everybody just get on the good foot
Get on the good foot
Now, how am I supposed to know that she's yours
She aint got no ring on her finger
It aint our fault homeboy that your girl likes to wonder and linger
Your actin so serious
We just danced I aint even ask for her number
Dont be mad cause we the life of the party we aint tryin to hurt nobody talk to 'em
Im not being cocky
I just noticed that she was looking at me

Chill homeboy be cool
Cause there aint no reason for all that fussin at me

Its just gettin started
And theres a lot of fish around
here just shakin they jelly
I aint tryin to be rude dude but we tryin to tear up the place Come on
There aint nothing to it
If you wanna get down then we can do it-do it
There aint nothing to it
Get out your seat
Why
You aint glued to it
Be easy and watch that--tone
Keep stepping with your new suede shoes--on
Boys and girls lets all sing along
Now everybody just get on the good foot
Get on the good foot
If you keep on pressin at me
(That dont bother me none)
Cause I see every fish in the sea
(Ima get the baddest one)
You take yourself so seriously
(But you dont impress me none)
Dont be alarmed boy..we came to do no harm boy
Talk to 'em
Im not being cocky
I just noticed that she was looking at me
Chill homeboy be cool
Cause there aint no reason for all that fussin at me
Its just gettin started
And theres a lot of fish around
here just shakin they jelly
I aint tryin to be rude dude but we tryin to tear up the place Come on
There aint nothing to it
If you wanna get down then we can do it-do it
There aint nothing to it
Get out your seat
Why
You aint glued to it
Be easy and watch that--tone
Keep stepping with your new suede shoes--on
Boys and girls lets all sing along
Now everybody just get on the good foot
Get on the good foot
