

Strange As It Seems

Catherine Russell

I believed that you were free
and I could win your heart
but I find we only can be friends
tho there is no hope for me
and you and I must part
still this is the way the story ends tho I know why
I wasted my time
to lo-o-o-ve you
strange as it seems
deep in my heart
I do-o-o-strange as it seems
I cant stop thinking
o-o-o-f you
ready for dreams
dreams that will not
come true
bridge
one nite of bliss
one stolen kiss
is haunt-ing-me-ye-et
why should it be
unlucky me
who now must forget
we ever met Tho you can be
nothing to me
I wa-a-a-nt you
strange as it seems
deep in my heart
I do-o-o-o
