

# Devil in My Mind (Alternate Version)

## Smoke Fairies

Eyes blurry and red  
Trains roar through my head  
London churns like it wants me for dead  
River do you see?  
You're circling me  
Angry waters that long for the sea  
Oh I can feel it breathe inside  
The devil in my mind  
Oh I can feel it seeping in  
The cold the city brings  
Feet following feet  
Through dark desolate streets  
Thoughts collide like the light lines that bleed  
Sky eerily bright  
Plane trails through the night  
Birds sing lost and confused by the light  
Oh I can feel it breathe inside  
The devil in my mind  
Oh I can feel it seeping in  
The cold the city brings
