Illusion

Msg (michael Schenker Group)

Went from a dream to the young supremes
Searching for a destiny that's mine
There's another place another time
Touching many hearts along the way yeah
Hopin' that I'll never have to say
(Boy I love you but I gotta let you go)
Everyday in my mind is confusion
Thoughts of you bring illusion
Trapped in a world only you get in
My minds playin' tricks on me again
Daze in my mind is confusion
Thoughts of you bring illusion
Trapped in a world only you get in
My minds playin' tricks on me again
Follow your emotions everywhere
Is there really magic in the air
Never let your feelin' let you down
Open up your eyes and look around
(Boy I love you but I gotta let you go)
Everyday in my mind is confusion
Thoughts of you bring illusion
Trapped in a world only you get in
My minds playin' tricks on me again
Daze in my mind is confusion
Thoughts of you bring illusion
Trapped in a world only you get in
My minds playin' tricks on me again
Can it be a picture in my mind?
Never sure exactly what I'll find
Only in my dreams I turn you own
Here for just a moment then you're gone
(Boy I love you but I gotta let you go)
Everyday in my mind is confusion
Thoughts of you bring illusion
Trapped in a world only you get in
My minds playin' tricks on me again
Daze in my mind is confusion
Thoughts of you bring illusion
Trapped in a world only you get in

My minds playin' tricks on me again
Baby I don't write love song
Leave it up to Luther Vandross
How I choose to live you don't wanna know the course
I pay to be the boss hear it straight from the source
Fortune 500 is how I like to gloss
Hot shot Koni style Joyride
Blowing candles in the wind like "Princess D"
Could that be, mom tell me how you really like it
We can fly high I be your co-pilot
Hey yo, back to the girl with all the razamatazz
(Hey yo, I love you shorty)
You talkin' all that jazz
Boy I love you but I gotta let you go
I know you want me, but you play me like the lotto
Use and abuse me so there won't be no friction
I gotta leave I can't be in this illusion
Everyday in my mind is confusion
Thoughts of you bring illusion
Trapped in a world only you get in
My minds playin' tricks on me again
Daze in my mind is confusion
Thoughts of you bring illusion
Trapped in a world only you get in
My minds playin' tricks on me again
Confusion
Illusion
You get in
Me again
Daze in my mind is confusion
Thoughts of you bring illusion
Trapped in a world only you get in
My minds playin' tricks on me again
