My Sugar So Sweet

Nick Drake

Yes, mama - yes, girl
Hear me calling you
So sweet, so sweet
My sugar`s so sweetMy baby don't you go
Aint seen my little sugar come home
So sweet, so sweet
My sugar's so sweetBut my baby she'd long gone
But I've seen her - I must`ve been doing her wrong
So sweet, so sweet
My sugar's so sweetSee my baby, don't act so smart
I'll cut out your liver, and eat your heart
So sweet, so sweet
My sugar's so sweetYes, mama - yes, girl
Hear me calling you
So sweet, so sweet
My sugar's so sweet
