Razz

Kas Product

Just like the girlie's back at corner stone
Wash my bugle boy a watching my throne
Sweet mutilations of a sold to nothing man
Lord, have mercy, shake is falling through your handRazz the kidBecause you love me I'm the chosen one
These are the days to not be having no fun
I listen back to what you told me before
Just tell me where to come, I'll knock down the doorRazz the kidRazz the kidRazz the kidRazz the kidRazz the kid
