Baby's Waiting

Superdrag

She had all the aces
I've been in here
I've been frustrated
In seven years, I'm recreatedAnd my mind won't be made up for me
Baby's waiting for me
Baby's waiting for me thereCovered all the traces
Of being here
For time replaces 'most any fear
To leave me faithlessAnd my mind won't be made up for me
Baby's waiting for me
Baby's waiting for me thereIn the darkest places
She's given light and she gives reason
She's given sight
Through every seasonAnd my mind won't be made up for me
Baby's waiting for me
Baby's waiting for me thereAnd my mind won't be made up for me
Baby's waiting for me
Baby's waiting for me nowOh, baby's waiting for me
She's got something for me
Baby's waiting for me now
