Shake It Up

Elizabeth Daily

Ever since the day I met you,
I knew that you were
the one for me,
You know you had me
shaking all over,
You stir me up now, can't you see?CHORUS:
Shake it up tonight,
Shake it up all night,
Shake it up tonight,
Tell me that you love
me, tell me that you'll
stay the nightNow I'm gonna tell
you one more time
I've got to have you every day,
How could I live without your love?
Don't you see, you have to stayREPEAT CHORUSSOLOREPEAT CHORUSShake it baby,
Shake it tonight,
Shake it baby,
Shake it tonight,
Shake it baby,
Shake it tonightShake it up tonight
