

Wires

Coconut Records

Had a lot of things to say
Had a lot of points to make
Put me down on walk
Sweet take before you go awayClose the door in case you stay
And I can't believe it's already tired
Oh, go and cut all my wiresLittle bit of this is good
You always said it would
Waits to be overheard
Quote yourself word for word
Before you go awayClose the door in case you stay
And I can't believe it's already tired
Oh, go and cut all my wiresIn case you stay
And I can't believe it's already tired
Oh, go and cut all my wires
All my wires, all my wires
