

Paisley Park

Prince

One, two
One, two, three There is a park that is known
For the face it attracts
Colorful people whose hair
On one side is swept back The smile on their faces
It speaks of profound inner peace
Ask where they're going
They'll tell you nowhere
They've taken a lifetime lease
On Paisley Park The girl on the seesaw is laughing
For love is the color this place imparts
Paisley Park
Admission is easy, just say you believe
And come to this place in your heart
Paisley Park is in your heart There is a woman who sits
All alone by the pier
Her husband was naughty
And caused his wife so many tears He died without knowing forgiveness
And now she is sad, so sad
Maybe she'll come to the park
And forgive him
And life won't be so bad
In Paisley Park The girl on the seesaw is laughing
For love is the color this place imparts
Paisley Park
Admission is easy, just say you believe
And come to this place in your heart
Paisley Park is in your heart See the man cry as the city
Condemns where he lives
Memories die but taxes
He'll still have to give Who, whoever said that elephants
Were stronger than mules?
Come to the park and play with us
There aren't any rules, in Paisley Park The girl on the seesaw is laughing
For love is the color this place imparts
Paisley Park
Admission is easy, just say you believe
And come to this place in your heart
Paisley Park is in your heart The girl on the seesaw is laughing

For love is the color this place imparts
Paisley Park
Admission is easy, just say you believe
And come to this place in your heart
Paisley Park is in your heart Your heart, your heart
Paisley Park
Your heart, your heart
Your heart, sing, sing it Paisley Park
Paisley Park
Paisley Park
