

# It's Not For Me To Know

## Ramones

Easy come and easy go, for me that was the fun  
It was something that I, I didn't think it was so bad  
Now I'm lookin' out my window but I don't know where I am  
And I've given up trying to understand what I can't I don't have any illusions anymore  
And I've done all that I can do  
It's not for me to know  
It's not for me to know  
It's not for me to know  
And it's not for me to know I stood under the moonlight  
To illuminate myself  
Something I fell into  
From being kicked around I don't have any illusions anymore  
And I've done all that I can do  
It's not for me to know  
It's not for me to know  
It's not for me to know  
And it's not for me to know No one seemed to notice  
Seeing from smoke screen eyes  
You can get what you want  
But I don't think it is true I don't have any illusions anymore  
An' I've done all that I can do  
It's not for me to know  
It's not for me to know  
It's not for me to know  
An' it's not for me to know Yea, me to know
