

# Where Have All The Good Times Gone!

## Van Halen

All my life I've never stopped to worry 'bout a thing

Open up and shout it out, never try to sing

Wondering if I've done it wrong

Will this depression last for long, won't you tell meWhere have all the good times gone

Where have all the good times gone

Where have all the good times goneOnce we had an easy ride and always felt the same

Time was on our side and we had everything to gain

They treat me like yesterday, is that me, your happy daysMa and pa look back on all the things they used to do

Never had no money and they always told the truth

Daddy didn't need no little toys

Mommy didn't need no little boys, won't you tell meWhere have all the good times gone

Where have all the good times gone

Where have all the good times gone, owwYesterday was such an easy game for you to play

Ah, but then lets face it, things are easier today

Yes, you need some bringing down

Get your feet back on the ground, won't you tell meWhere have all the good times gone

Where have all the good times gone

Where have all the good times goneWhere have all the good times gone

Where have all the good times gone

Where have all the good times gone
