Change (In the House of Flies)

Deftones

I watched you change Into a fly I looked away

You were on fireI watched a change in you

It's like you never had wings

Now, you feel so alive

I've watched you changeI took you home

Set you on the glass

I pulled off your wings

Then I laughedI watched a change in you

It's like you never had wings

Now, you feel so alive

I've watched you changeIt's like you never had wingsAah, aah, aah, aah

Aah, aah, aah, aah

Aah, aahI look at the cross

Then I look away

Give you the gun

Blow me awayI watched a change in you

It's like you never had wings

Now, you feel so alive

I've watched you changeNow, you feel alive

You feel alive

You feel alive

I've watched you changeIt's like you never had wingsAah, aah, aah, aah

Aah, aah, aah, aah

Aah, aahYou've changed

You've changed

You've changed

Into a fly
