

# Give It Up

## Ray Collins Hot Club

Oh, baby, take my hand and you will give it up,  
give it up, give it up, give it up, girl,  
being alone on this world

Oh, life could be so grand if you just give it up,  
give it up, give it up, give it up, girl,  
being alone on this world

Oh, no more feelin' down and no wondering what do,  
I will be around and be making love to you,  
so give me just one kiss and you will give it up,  
give it up, give it up, give it up, girl,  
being alone on this world

Oh, no more feelin' down and no wondering what do,  
I will be around and be making love to you,  
so give me just one kiss and you will give it up,  
give it up, give it up, give it up, girl,  
being alone on this world  
being alone on this world  
being alone on this world  
yep, being alone on this world
