I Want To Marry A Light House Keeper

The Adicts

I want to marry a light house keeper
And keep him company
I want to marry a light house keeper
And live by the side of the seaI'll polish his lamp by the light of day
So ships at night can find their way
I wanna marry a light house keeper
Won't that be okayWe'll take walks along the moonlit bay
Maybe find a treasure too
I'd love living in a light house
How 'bout you?Dream of livin' in a light house baby
Every single day
I dream of living in a light house
A white one by the bay
