

# I Want To Marry A Light House Keeper

## The Adicts

I want to marry a light house keeper  
And keep him company  
I want to marry a light house keeper  
And live by the side of the seaI'll polish his lamp by the light of day  
So ships at night can find their way  
I wanna marry a light house keeper  
Won't that be okayWe'll take walks along the moonlit bay  
Maybe find a treasure too  
I'd love living in a light house  
How 'bout you?Dream of livin' in a light house baby  
Every single day  
I dream of living in a light house  
A white one by the bay
