

Speed Demon

The Movieline

Opens the door- she's going out on the town.
Opens the door- goes to the club to get down.
She hits the floor- with the powder in hand.
Living the fast life the best way she can.
She knows just where to go- cause it's Friday night.
She plays the game- she puts her life on the line.
She plays the game- she snorts line after line.
She sees the flame- but claims she'll never get burned.
Friends shake their heads, she'll never learn.
She knows just where to go- it's Saturday night.
Opens her eyes. Cause after all she's a star gazer.
She's a, a speed demon, yeah.
She's a...
