

Feathers from Your Tree

Blue Cheer

(Dickie Peterson, Leigh Stephens, and Peter Wagner)

Walking here from beyonder

Just to see (Just to see the right road)

Just to see

You know I don't wanna leave here

You know I don't wanna go (No I don't wanna go). You get that little something (boh-boh)

Something to hold on to (boh-boh)

The pain that I can't take (boh-boh)

I say just what I'll do (boh-boh)

Someone give me back (boh-boh)

Just some way to do. You know I'm gonna thank you (ba-da-ba-da-da-da)

For being just that way (ba-da-ba-da-da-da)

You know I'm gonna love you (ba-da-ba-da-da-da)

Every minute of every day (ba-da-ba-da-da-da)

You know I just couldn't stand it (ba-da-ba-da-da-da)

Couldn't stand it any other way (ba-da-ba-da-da-da). Flying, heading for the wonder

Now you see (Now you see oh, oh, oh)

Now you see

Finding you this way

As the breezes blow (As the breezes blow). I got that funny feeling (ba-da-ba-da-da-da)

Now you made it mine (ba-da-ba-da-da-da)

You look so overjoyed (ba-da-ba-da-da-da)

Now it's doing fine (ba-da-ba-da-da-da)

Grow a little gun (ba-da-ba-da-da-da)

And feathers from your tree (ba-da-ba-da-da-da). You know I'm gonna thank you (ba-da-ba-da-da-da)

For being just that way (ba-da-ba-da-da-da)

You know I'm gonna love you (ba-da-ba-da-da-da)

Every minute of every day (ba-da-ba-da-da-da)

You know I just couldn't stand it (ba-da-ba-da-da-da)

Couldn't stand it any other way (ba-da-ba-da-da-da).

OH!
