Modern Way

Baines, Nick

I know 'cause I've seen it, it was great and I want it
There's no point in sitting, going crazy on my own
Do you know what, I was put here in the world for
And could you tell me in three words or moreIt's the only way of getting out of here
It's the only way of getting out of hereTake a lesson, from the ones who have been there
My brain is not damaged but in need of some repair
Hold on to the basics but we can change all our tactics
There's no point in sitting going crazy on your ownIt's the only way of getting out of here
And it's the only way of getting out of hereThis is the modern way of faking it everyday
And taking it as we come and we're not the only ones
Is that what we used to say? This is the modern wayI know where I'm going and that we are in the knowing
And I will stop at nothing just to get what I wantIt's the only way of getting out of here
And it's the only way of getting out of hereThis is the modern way of faking it everyday
And taking it as we come and we're not the only ones
Is that what we used to say? This is the modern wayThis is the modern way of faking it everyday
And taking it as we come and we're not the only ones
Is that what we used to say? This is the modern way
