Dirty Ol' Man

The Three Degrees

Ah ah ah ah ah
Dirty
You're a dirty ol' man
You can't keep your hands to yourself
You're a dirty ol' man
Go mess around with somebody elseNow I've done told you
That you can look but please don't touch
'Cause you don't understand what I mean
Can't you see I'm not old enoughYou say that ain't, ain't nothing but a number
You're much too experienced for me
Ooh, all you wanna do is take my love
All you want is another victoryDirty ol' man
You can't keep your hands to yourself
You're a dirty ol' man
Go mess around with somebody elseNext time you see me
You can speak but please don't stuck
'Cause I believed every word you said
And here I am with a broken heartGo run your game down
Don't waste it on me
No, no, no, no, no'Cause you're a married man
And I'm still free
Ooh, all you wanna do is take my love
All you want is another victoryDirty ol' man
You can't keep your hands to yourself
Dirty ol' man
Go mess around with somebody elseA dirty, dirty
Dirty ol' manA dirty, dirty
Dirty ol' manA dirty, dirty
Dirty ol' manA dirty, dirty
Dirty ol' manDirtyAll you wanna do is to use me
All you wanna do is to take advantage of me
Dirty, dirty, dirty, dirtyDirty, dirty, dirty, dirty ol' manYou're a dirty ol' man
You can't keep your hands to yourself
You're a dirty ol' man
Go mess around with somebody elseYou're a dirty ol' man
You can't keep your hands to yourself
You're a dirty ol' man
Go mess around with somebody elseYou're a dirty ol' man
You can't keep your hands to yourself
