Cupola

Zeromancer

In under the skin
It filters through my mind
Rooms spinning around
Losing balance all the timeShaking like a leaf
I treat you like you're glass
Cry, cry like a child
When all you want is
When all you want isIn under the skin
Sing cupola
Rooms spinning around
Sing cupolaIs this the dawn of a new day?
Is this the dawn of a new day?
Is this the dawn of a new day?
Is this all you have to say?Hit me, hit me, hit me
Hit my nerves
Hit me, hit me, hit me
Hit my nerves
Hit me, hit me, hit me
Hit my nerves(Is this the dawn of a new day?)
Hit me, hit me, hit me
Hit my nerves(Is this the dawn of a new day?)
Hit me, hit me, hit me
Hit my nerves(Is this the dawn of a new day?)
Hit me, hit me, hit me
Hit my nerves(Is this the dawn of a new day?)
Hit me, hit me, hit me
Hit my nervesIs this the dawn of a new day?
Is this the dawn of a new day?
Is this the dawn of a new day?
Is this all you have to say?Hit me, hit me, hit me
Hit my nerves
Hit me, hit me, hit me
Hit my nervesHit me, hit me, hit me
Hit my nerves
Hit me, hit me, hit me
Hit my nervesHit me, hit me, hit me
Hit my nerves
Hit me, hit me, hit me
Hit my nervesHit me, hit me, hit me

Hit my nerves
Hit me, hit me, hit me
Hit my nervesHit me, hit me, hit me
Hit my nerves
Hit me, hit me, hit me
Hit my nerves
