The Sky Is Crying

Stevie Ray Vaughan

The sky is crying,
Can you see the tears roll down the street.
The sky is crying,
Can you see the tears roll down the street.
I've been looking for my baby
And I've been wondering where can she beI my baby early one morning
She was walking on down the street
I my baby early one morning
She was walking on down the street
You know it hurt me, hurt me so bad
It made my poor heart skip a beatI got a real, real fine feeling
That my baby she don't love me no more
I got a real, real fine feeling
That my baby she don't love me no more
You know the sky's been crying
Can see you see the tears roll down my door
