

Christopher Tracy's Parade

Prince

Everyone come behold Christopher Tracy's parade, hey
The show will proceed, 'less it should rain strawberry lemonade
Hopefully, that will not occur, the man above has been paid
Give what you can, all you can stand, and all of your life will be made
Everyone should come and dig
Christopher Tracy's piano
The chord strikes, devil no like, runs to his evil car
Everyone come behold Christopher Tracy's parade
Goodness will guide us if love is inside us
Christopher Tracy's parade
Christopher Tracy's parade
Christopher Tracy's parade
