

Close (Remastered 2013)

Dark Side Cowboys

You lazy slob
You stinking slime
You blinded bastard
You lovesick pimp
You so called hero
You demanding pervert
You cyber Casanova
You dead end brain
You walking creep
You painted clown
You shameless rip-off
You shining buckle
You twisted maniac
You dead town marshal
You slobby, grinning worm
You fucking crow
Remember to remind me
To step on you again
