

Someday

Paris Luna

Someday, Iâ€™ll be in your arms boy
Someday, Iâ€™ll make you mine
And youâ€™ll, tell me you love me
Then you will, spare me some time
This foolish thought, make me fall for you
This foolish thought, make me wait on you, again
Someday, youâ€™ll look in my eyes boy
Someday, youâ€™ll notice me
Then youâ€™ll, youâ€™ll promise forever
Then you will, come talk to me
This foolish thought, make me fall for you
This foolish thought, make me wait on you, wait on you; again
Someday, Iâ€™ll be in your arms boy
Someday, Iâ€™ll make you mine
Ooooh, make me fall for you
These foolish thoughts,
Make me wait on you, Wait on you\wait on you\wait
