Oh oh yeah yeah, oh what a night  
It's ladies night This is your night tonight,  
Everything is going to be alright  
This is your night tonight,  
C'mon girls Girls, we've all got one  
A night that's special everywhere  
From New York to Hollywood  
It's ladies night and girl  
The feeling's good [Chorus]  
Oh yes, it's ladies night  
And the feeling's right  
Oh yes, it's ladies night  
Oh what a night (oh what a night) Oh yes, it's ladies night  
And the feeling's right  
Oh yes, it's ladies night  
Oh what a night (oh what a night) This is your night tonight, everything's gonna be alright  
This is your night tonight, everything's gonna be alright Romantic lady, ooh oh yeah, single baby
