

# Monkey On Your Back

[Aldo Nova](#)

Advisory - the following lyrics contain explicit language:

let me tell you a story about two kids in the city see they both have a problem with life and it isn't very pretty  
there's a kid called timmy he use to be pretty witty but then too many rides on the horse got him hooked and it's  
a pity cause now he's got a monkey he's got a monkey can't fight it monkey on his back he can't deny it  
monkey he found a dragon that bites a hole in his arm at night where all the monney goes monkey,monkey on  
his back monkey,monkey on his back a dirty monkey well there's a girl called sally she walks the streets in the  
city she works down on the corner every night gives her money up to willy you see her man's big willy and  
when he met her she was pretty but he gave her a habit that she didn't want now that's a pity cause now she's  
got a monkey she's got a monkey can't fight it monkey she's gotta walk the streets to buy it monkey she found a  
dragon that bites a hole in her arm at night where all the money goes monkey'monkey on her back  
monket'monkey on her back a dirty monkey well now listen everybody cause there's a moral to th story clean  
up your act get the monkey off your back or you'll be sorry keep yourself clean cause the monkey plays mean  
he'll put a knife in your back then the man in the black will show you a dragon that bites and you'll wind up  
with a monkey'monkey on your back monkey'monkey on your back monkey'monkey on your back  
monkey'monkey on your back
