

Never Neverland

Todd Rundgren

I know a place where dreams are born
And time is never planned
Its not on any chart
You must find it in your heart Never Neverland It may be miles beyond the moon
Or right there where you stand
Just keep an open mind
And then suddenly youll find Never Neverland You'll have a treasure if you stay there
More precious far than gold
For once you have found your way there
You will never, never grow old And that's my home where dreams are born
And time is never planned
Just think of pleasant things
And your heart will fly on wings, forever in Never Neverland
