Personal

Olly Murs

Verse 1
You walked through the door
Girl where were you
You been here before
It's nothing new
Your wearing cologne
It's not your's
Who?
Are you spending time with
I want the truth
huh
Chorus
I got a question
How many lies?
Question
How many times?
Question
Did you wanna lie?
Please forgive me, if i can't forgive anymore
I guess i'm taking it personal
Life without you is better than life before
I guess i'm taking it personal
Listen
Listen to my head
Listen
And not to my heart
Listen
Seems like the ends about to start
Yeah
You think your caught, you but not anymore
I guess i'm taking it personal
Verse2
Where do i start
Look at you now
The lipstick you wear
Not on your mouth
The scent of your skin
Is somewhere else
I don't need to ask

I can't help myself
Chorus
I got a question
How many lies?
Question
How many times?
Question
Did you wanna lie?

Please forgive me, if i can't forgive anymore
I guess i'm taking it personal
Life without you is better than life before
I guess i'm taking it personal
Listen
Listen to my head
Listen
And not to my heart
Listen
Seems like the ends about to start
Yeah
You think your caught, you but not anymore
I guess i'm taking it personal
Verse 3
Cos this is what is
This is where are
Get back in your car
And drive back to where you came from
There's nothing left to say
Nothing left to do
I'm not gonna change
I'm not anyway
No
Listern
Feel like the end has started
And y'know what?
Funny i'm not broken hearted
Chorus
I got a question
How many lies?
Question
How many times?
Question
Did you wanna lie?
Please forgive me, if i can't forgive anymore
I guess i'm taking it personal

Life without you is better than life before
I guess i'm taking it personal
Listen
Listen to my head
Listen
And not to my heart
Listen
Seems like the ends about to start
Yeah
You think your caught, you but not anymore
I guess i'm taking it personal
