

Not Living (Original Version)

Coal Chamber

I realize I'm dead I'm fucked in the head
I'm not living without you
My life is a game my life is a shame
I'm not living without you My heart is a joke and my life has been choked
And I'm not living without you
My life is alone my life is alone
I'm not living without you You're bleeding me you're bleeding me you're bleeding me
You're bleeding
I realize I;m dead I'm fucked in the head
I'm not living without you My life is a game my life is a shame
I'm not living without you
This heart has been choked and my life is a joke
And I'm not living without you You're bleeding me you're bleeding me you're bleeding me
You're bleeding...
You!
You've taken all from me What I have to see
What I cannot be inside you
My love my God my love bleeding me
What's this? what's this? I can't live
I realize I'm dead I'm fucked in the head
I'm not living without you
My life is a game my life is a shame I'm not living without you
This heart is a joke and my life has been choked
And I'm not living without you
And my life is a game my life is a shame I'm not living without you
You're bleeding me you're bleeding me you're bleeding me you're bleeding... you!
