

Like a Child

Backstreet Boys

If I could right the wrongs that made you cry
I make a promise not to say good-night
"Cause I'm holding on
With a love so strong
And I can't take a day without you by my side Girl if i could change
If I could change your mind
Baby you could help me wipe these tears from my eyes [Chorus]
Girl don't stop
The sun from shining down on me
'Cause I can't face another day without your smile
And if you take away the love and arms that surround me
The I might break down and cry just like a child Girl, I can't belong and I won't be free
If I fail to bring your lovin' back to me
So I'm pressin' on
I hope you understand
There's a broken heart that lies inside your hands So if I could change
And it won't hurt your pride
Baby you could help me stop these tears that I cry [Chorus] Like a child
Just like a child
With the spirits running free
She showed my why
Oh, she did Like a child (oh baby)
Just like a child
Think of what our love could be
If our hearts could set us free
Like a child [Chorus]
